## INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

Applicants wish to make of record in the above-identified application the document or documents referenced on the attached Form PTO-1449. A copy of each reference is enclosed herewith.

The undersigned believes that this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application.

Accordingly, Applicants do not believe that a fee is due for filing this paper. However, should a first action on the merits have been issued on the same day or before this Information Disclosure Statement is filed, please accept this Information Disclosure Statement under Rule 97(c) and charge the requisite Rule 17(p) fee to our Deposit Account No. 50-1390, under Order No. BS99-092-CON and proceed to consider this Information Disclosure Statement.

Serial No.: 10/006,655 Attorney's Docket No.: BS99-092-CON

Art Unit: 3663 Page 2

It is respectfully requested that the information be expressly considered during the prosecution of this application, and that each reference be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

The documents disclosed herein were sent to the assignee of the above-referenced application in response to letters sent to potential licensees of the technology described and claimed in this application and its parent application, which is now U.S. Patent No. 6,356,841. The documents were received in July of 2003, but Applicants are not able to ascertain a date of publication, except for the articles in known printed publications, and, in fact, some of the documents may have been confidential up until their disclosure to the Assignee of this application. The dates listed on the various in-house documents should not be deemed to be dates of publication for prior art purposes, but are only alleged dates of creation. Applicants make no representation as to the accuracy of any of the dates listed on the face of any of the documents.

This submission does not represent that any referenced document is material or constitutes "prior art." If it should be determined that one or more of the referenced documents constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the reference or references.

Applicants further reserve the right to take appropriate action to establish the patentablity of the disclosed invention over any referenced document, should it be applied against the claims of the present application.
